ROSS
LIDDELL

IMPORTANT NOTE

You may only use this emergency service if your property is managed by Ross and Liddell, and you are entitled to our full management services. You may be requested by any contractor who calls for a copy of your last account, or other proof of entitlement. Misuse of this emergency service may involve additional charges. Normally only work to remove the immediate source of damage, where this is possible, will be undertaken outside normal tradesmen's working hours. If contacting the Loss adjuster, please have your insurance details available.

After contacting any contractor please forward to us details of the emergency call out.

INSURANCE CLAIMS

Our 24 hours a day, 365 days a year Ross and Liddell Claims Line, operated in conjunction with our dedicated Loss Adjuster, Cunningham Lindsey UK, will deal promptly and professionally with all claims matters. Just dial 0141 240 2626 for claims.

Please have your insurance details available, if at all possible, as this may help speed up the processing of your claim.

Emergency Contractors
1. Please select from the type of trade required and the contractor nearest you.

2. Please ensure you comply with the conditions detailed in the important note above.

3. Please dial the telephone numbers for each contractor in the order listed.

4. Please ensure you comply with the conditions detailed in the important note above.

5. If you have difficulty in contacting a number, please try an alternative or phone our local office to hear alternative numbers or contractors.
